AMENDMENT IN RESPONSE TO
(OFFICE ACTION DATED JANUARY 24, 2003)

PATENT

REMARKS

Reconsideration of the application in view of the above-amendments and the following remarks is requested. Claims 1-15 are in this application.

The Examiner objected to the title, arguing that the title was not descriptive. The Examiner suggested a title, and the title has been amended to largely reflect the Examiner's suggestion. Thus, for the foregoing reasons, it is submitted that the application is in a condition for allowance. Therefore, the Examiner's early re-examination and reconsideration are respectively requested.

Respectfully submitted,

Dated: 3-24-03
